OPTIONS: Complementary course selection for Grade 11 should be based on graduation, future academic and credit total requirements. Grade 11 students must register for a **minimum of 7 in-person courses** and a **maximum of 8 in-person courses** between core and complementary courses. Please write down complementary courses that you intend to take next year and register in PowerSchool. List at least 1 additional alternative complementary course as well below (do not register your alternative course in PowerSchool). Courses are listed on the back.

Alternative Option Choice (Do not enter in PowerSchool): _____

SUMMER SCHOOL:

If you plan to take a course for the first time in summer school (Ie. CBe-Learn or self-registered with other online learning platform), please list the course here: _____

Please note that students **DO NOT** register their summer school course into PowerSchool for 2026-2027 course registration. Summer School registration information will be shared in late spring. Students who take a summer school course must still meet the in-person course requirements for the 2026-2027 school year (ie. 7 in-person courses for grade 11).

Students who register for a summer school course and do not successfully complete are **not guaranteed** to take this course in-person throughout the 2026-2027 school year as staffing decisions and course balancing are based on 2026-2027 school registration.

Credit Total (You must select minimum of 35 credits in PowerSchool):	<input type="radio"/> Confirmation that credit total on sheet matches in PowerSchool
